LACY A HICKSON(12/9/86-7/9/06)  
MEMORIAL SCHOLARSHIP

In tribute to the memory of our loving daughter, Lacy A. Hickson, we have established a memorial scholarship in her name, The Lacy A. Hickson Memorial Scholarship.

We are seeking your support to raise money to help qualified students further their education. The eligible students are either seniors at Adams City High School, Wiggins High School, Weldon Valley High School, a graduating student whose parent or grand parent own property at Jackson Lake Village, or a relative of Lacy Hickson graduating from any high school. Lacy graduated from Adams City High School in 2005, and attended UNC in the fall of 2005.

On September 13, 2025 we will be hosting the 20th annual Lacy A. Hickson Memorial Scholarship dinner at the Jackson Lake Clubhouse in Weldon Colorado. At the dinner, we hold a raffle and a silent auction which helps raise additional money for the scholarship fund. Any item of merchandise or money that you would be willing to donate would be greatly appreciated. This will enable us to provide more scholarships to award to our outstanding youth.

Thank you for your consideration and support!

For further information you may contact Charles or Deborah Hickson at 25402 MCR 3 #320, Weldon Co 80653, telephone (970) 645-9858
